Should the Boys & Girls Club be aware of any special medical conditions, allergies, etc., in relation to your child? Taking medications?

___ **Yes** ___ **No**

Please Explain: _____
_____
_____

As a member, I understand membership expectations and I agree to be drug and alcohol free and to participate in activities as directed by volunteers and staff, and carry and represent my membership card when attending all Club activities.

Date: ___/___/____ Youth Signature:_____

As a Parent/Guardian I understand membership expectations and have explained them to my child. I waive, release, and forever discharge any and all rights and claims for injuries and/or damages which may have or which may hereafter accrue due to membership and release from liability all staff, volunteers, administration and/or members of the Board of Directors as part of this membership application and agreement. I also give my consent for Boys & Girls Club to release photos of my child taken within program & facilities for the purpose of promotions, publications, and news release articles.

I. Internet/Computer Use

The Club will be offering its students the opportunity to get online tutoring and use the internet for homework use. The release form serves as permission for your child to use the Internet for homework/research purposes. Please be assured that an adult will always supervise your student during his/her Internet experience.

II. Media

Part of the program is to promote the Club. The media may contact us to do an article or story. It is necessary to have your permission for your child to appear in the newspaper or in a video. We will also need your permission for your child to appear in our newsletter and updates as well.

III. Grades

In order to comply with Grant Standards, all members are required by law to show student progress in the program and in school. One way to show students progress is by the comparison of grades. It is important that you, the parent/guardian allow the release of grades from your child's school to the Teen Reach program and its constituents.

IV. Field Trips and Busing

Field trips will be offered and they may require busing to and from the field trip location. We need your permission for your child to participate in our field trips and to provide them with transportation on these occasions. You, the Parent/Guardian, will be given detailed information before your child attends any such event.

Date: ___/___/___ Parent Signature:_____
